COURSE DESCRIPTION (EN/L1 [if taught in L1])										
<p><b>Content</b></p> <p>The course Special Pedagogy and Contemporary Educational Approaches is intended for third-year students of the Undergraduate Study of Social Work. The aim is to train them to understand the basic concepts and disciplines of special pedagogy, and to apply contemporary educational approaches in working with children with developmental disabilities. The course emphasizes the connection between special pedagogy and related sciences and trains students to develop inclusive activities and professional interventions aimed at improving the quality of life of children and young people with disabilities and their parents. Also, through practical examples and case studies, students will acquire skills important for effective support and inclusion of children with disabilities in the community, promoting equality and social inclusion.</p>										

Predmet Specijalna pedagogija i suvremeni odgojni pristupi namijenjen je studentima treće godine Preddiplomskog studija Socijalnog rada. Cilj je osposobiti ih za razumijevanje osnovnih pojmoveva i disciplina specijalne pedagogije, te za primjenu suvremenih odgojnih pristupa u radu s djecom s teškoćama u razvoju. Također, predmet ističe povezanost specijalne pedagogije sa srodnim znanostima i osposobljava studente za razvoj inkluzivnih aktivnosti i stručnih intervencija usmjerenih na poboljšanje kvalitete života djece i mladih s teškoćama i njihovih roditelja. Isto tako, kroz praktične primjere i studije slučaja, studenti će steći vještine važne za učinkovitu podršku i uključivanje djece s teškoćama u zajednicu, promovirajući ravnopravnost i socijalnu uključenost.

### **Competences & Learning Objectives**

- To enable students to apply basic concepts of special pedagogy and expand their knowledge about the relationship of special pedagogy with related scientific disciplines.
- To enable students to understand contemporary educational approaches in our country and around the world.
- To expand students' knowledge about the possibilities for improving the quality of life of children with special needs.

*Submission of the seminar paper by e-mail no later than 15 days before the exam, consultations during the semester.*

- Osposobiti studente za primjenu temeljnih pojmoveva iz specijalne pedagogije i proširiti njihova znanja o odnosu specijalne pedagogije sa srodnim znanstvenim disciplinama.
