COURSE DESCRIPTION (EN/L1 [if taught in L1])	
Content 1. Defining the place of drama education in the contemporary Czech school. 2. Practical introduction to role play and its principles used in drama education (role play, entering the role, characterization, dramatic situation). 3. Entering roles, building a character. 4. Evaluation of one's own acting dispositions for natural acting with voice and movement, in order to express the inner states and emotions of oneself and a certain character. 5. Free activities in drama education in the Czech context.	
Competences & Learning Objectives The aim of the course is to present practical examples of the possible use of methods and techniques of drama education in school practice. The course includes an introduction to various organizational and formal methods of applying drama education in school. Emphasis is placed on presenting the possibilities of drama education in the process of socialization. Examples of the use of DV in approved subjects will also be presented.
